American Traders recommends the use of an approved PFD (life vest) when you are in the water.

## Canoe Specifications

Overall **length** is measured stem to stern in feet and inches. **Beam** measurement is taken inside the hull at the widest part, in inches. **Weight** in pounds is determined on a standard model, extra options would add weight. As each canoe is handcrafted, weights may vary slightly. **Capacity** also measured in pounds to six-inch freeboard at center of canoe.

## Shipping & Warranty Information

Shipping charges are for delivery within the contiguous 48 states. Contact us for shipping charges to other destinations. All canoes are specially packed and shipped to you via common carrier. Shipping cost is **10%** of your order, with a maximum charge of **\$600** for business or terminal delivery. An additional **\$60** fee applies to home deliveries. All American Traders products come with a 1-year unconditional warranty against defects in materials or workmanship. Wooden canoes carry a 3-year warranty.
